

Supporting New Zealanders Living With Brain Injury

## Brain Injury Association Top of The South

In line with our vision, 'A connected community where people affected by brain trauma are thriving' we provide support, regular activities, ongoing advice, yearly events, social get-togethers, education, and advocacy services to people with brain injury, their families, and our wider community.

Our mission is to educate, advocate & provide support so people can overcome challenges and reach their potential.

### Benefits of Membership:

1. Monthly newsletter with advice, upcoming events, education, and opportunities to volunteer or support the BIA.
2. Free access to our library of books and materials for ideas and advice.
3. Free or discounted access to our funded activities and events
4. Regular Support groups
5. Ongoing information, Support and Advocacy Services.
6. Development of new funding streams and group activities
